

DESIERTO25

Cabernet Franc 2012

DESCRIPTION

Variety: 100% Cabernet Franc
Vintage: 2012
Appellation: Patagonia Argentina
Enologist: Sebastián Cavagnaro
Enological Advisor: Paul Hobbs

TASTING NOTES

TO THE EYE: intense and bright cherry red color.

NOSE: aromas such as red fruits like blackberry and cherry, and spices.

PALATE: fresh on the mouth with subtle vanilla hints and rounded tannins. Long and elegant finish.

VINEYARD NOTES

VINEYARD ORIENTATION: North to South

SOIL DESCRIPTION: sandy, deep, with variable content of stones

TRAINING SYSTEM: double-sided cordon trellis training

IRRIGATION SYSTEM: drip

YIELD: 90 qq per hectare

CLIMATE: continental, arid, ranging from moderate to cool

THERMAL AMPLITUDE: 18°C

AVERAGE ANNUAL RAINFALL: 180 mm

VINEYARD REPORT

Pruning was conducted in July, leaving shoots with two buds 12 cm apart per plant. Shoot thinning was performed early, when shoots were 20 cm long. Two grape clusters were left per shoot, removing any entangled clusters. Fruit thinning and de-leafing

WINEMAKING REPORT

Grapes arrive at the winery no later than an hour after harvested. Selected berries are introduced in the stainless steel tanks from above, simulating the effect of gravity. The must is cold macerated at 10°C for three days. On the fourth day the must is inoculated with selected yeasts and cooling is suspended. Extraction via management of the cap is performed twice daily. Fermentation temperatures reach a maximum range between 25° and 28°C. On the tenth to twelve day the fermenter is drained and pressed. The malolactic fermentation then commences at 20°C. Aged for 9 months in French and American oak.

WINEMAKING ANALYSIS

Alcohol: 14.6% | Total Acidity: 5.7 g/l | Residual Sugar: 2.8 g/l | pH: 3.6

BOTTLING

July 2014
